## Collett Creek

This is a great piece of the Territory just 7klms from the end of Peacock Road along the old Railway Corridor.

All weather access is available however there is no mains power at this point in time so solar or generator power will be required. There are good bores in the area and the property has two paddocks with good fencing and cleared fire breaks.

Build your dream home use the property as a weekend retreat or simply land bank and run a few cattle.
