Berry Springs

Yes that's right Weddell!!! This is an established 60 plus acre property that is less than 45 minutes to Darwin City.

It has been the family home for many years, however times have changed and the kids have all grown, so it's now time for a new owner.

The home is three (3) bedrooms one (1) bathroom plus a study area open planned lounge, kitchen and dining. It is set on the ridge so you overlook the 60 acre property whilst still being well set back from the road.

The undulating lawn area around the home is a great feature of this property with a great veranda on one side to watch those in the pool and enjoy entertaining with friends. The pool itself is above ground surrounded by beautiful tropical gardens with its own small deck to relax upon.
