

1340 Cox Peninsula Road Berry Springs NT

This rural property presents a great opportunity ideally located just 5 minutes from the district centre of Berry Springs and just 2 minutes to Berry Springs School, Reserve and the Wildlife park.

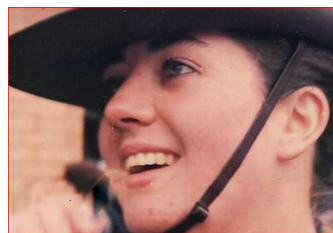

A very private bush setting with great tall timber. Perfect for those who want privacy, seclusion and who enjoy being at one with nature.

Extensive native species of trees and shrubs are abundant throughout the property including beautiful bush orchids. There is various bird life and native animals that have made the property their home and it has been virtually left untouched with the exception of fire breaks and some fencing.

Being well set back from the road the property is weed free

Land Size : 8.47 ha
